

MEMORANDUM FOR: Colonel White

SUBJECT: Status of Regulations on Employee Emergencies  
and Punitive Measures for Security Violations

STATINTL

1. The headquarters [redacted] regulation covering employee emergencies has been coordinated by the Regulations Control Staff and all comments and concurrences have been received. These have been summarized by the Regulations Control Staff and have been forwarded to the Assistant Director for Personnel for consideration and resolution. The Chief, Regulations Control Staff, advises that the comments are numerous and significant, and it is believed that the resolution may take a considerable period.

2. The regulation on security violations was coordinated 5 March and concurrences are not due until 26 March.
